

INTRODUCTION

The Sydney East Hockey Association (SEHA) was formed in 2015 under the Hockey NSW restructure of associations in NSW. SEHA is the third largest association in the state based on membership and one of six associations in the Greater Sydney area and covers an area 400 sq. Km, taking in 12 local government areas, from the City, Glebe and Concord in the city/inner west, out to Bankstown in the south-west, down towards the Sutherland Shire in the south and back into Daceyville and the Eastern Suburbs. The association boasts about 2000 players incorporating 15 affiliated hockey clubs, and four synthetic turf fields and a few grass fields.

OUR REGION

SEHA conducts local junior (mixed) and senior competitions and provides regional representative level hockey and development pathways for its members, to State Championship level, in field and indoor hockey, for juniors, opens, and masters, boys, girls, men and women.

Our members also play in other competitions noting our men's clubs play in the Sydney wide, Sydney Men's Opens and Masters Hockey competitions, and some women's teams play in the Sydney Women's Hockey League - Opens and Masters.

OUR VISION

CHAMPION THE GROWTH OF HOCKEY.

OUR MISSION

FOSTER A SAFE AND INCLUSIVE ENVIRONMENT THAT PROMOTES PARTICIPATION AND DEVELOPS HOCKEY WITHIN THE SYDNEY EAST COMMUNITY.

1. PRESIDENT'S REPORT

On behalf of the Board of the Sydney East Hockey Association (SEHA), I am pleased to present the Annual Report 2023, including the audited financial statements showing income \$191,735.55 and a small operational deficit of (\$6,182.33).

The Board and its committees are proud to work closely with the Hockey Community to continue development of the game, clubs and our members at all levels. This is not possible without the commitment of our tireless volunteers, we were able to deliver another complete season of competitive hockey and expand our representative and development programs.

Our SEHA community stepped-up, continued to work collaboratively with our clubs to focus on member retention, provide quality development programs and ultimately provide a safe environment for hockey, allowing the return to the field of play. We welcomed and partnered with new faces at Hockey NSW our governing body: Emma Highwood the new CEO, Brent Livermoore (Pathway programs) and Corrina Baldock and Joel Ward (Participation programs) and provided input to their new strategy and State Championship Review. We farewelled Andy van Pelt our greatly valued HNSW Regional Participation Manager for the past nine years.

We remained true to our mission to grow hockey in our region and proudly served:

- Members – 1983 registered playing members comprising (o18: 1363, u18: 620),
- Clubs - 15 affiliate Clubs and non-affiliated clubs that play in our competitions,
- Competition Teams - 26 women's teams, 43 junior teams,
- Representatives Players – approx... 400 rep players across juniors , opens, masters
- Facilities – NSW Office of Sport grant - Daceyville hockey turf resurface launched 1st April 2023.
- Family Affordability - SEHA is a registered Active Kids Provider - families benefited from the HNSW – Active Kids Rebate (\$100 vouchers school age kids) program once again: and
- Affordability - the SEHA association Fee (\$20 adult \$12 junior) has not increased over the past 9 years.

2023 Highlights and challenges:

SEHA applied its governance framework to deliver performance and conformance and a huge thanks to Mia Strecker –Reeves Governance Director for ensuring sound policies and administrative processes are in place, and we walk the talk.

Our clubs and their members are fortunate to benefit from our portfolio of Development programs and we are so lucky to have the leadership, passion, drive and commitment of Development Director Debbie Dodd and her support crew overseeing:

- Whistle Warriors for beginners and adults and separate work with officials.
- Centre of Development program 2022/23 u13 /u15s saw a change to age categories to u11/u13 in the 2023/24 program. Our numbers drop to 87 across 2 locations (Daceyville and Cintra) compared to 119 last summer, partly due to some players involvement in the SEHA Academy.
- Schools Program – run by our Hockey NSW participation manager supported by many of our casual coaches.
- SEHA Academy pilot program launched led by SEHAs Head of Pathways Garry Labana.
- NCAS Level 1 coaching courses at our clubs Glebe, Briars, UNSW.
- Our pool of talented coaches who continue to grow and develop in their own right with involvement in our pathway participation and representative programs.

Key outcomes were achieved this year:

- Our sound financial position demonstrated the resilience of our Association. With skilful financial management by Lisa Jarvis, Finance Director, SEHA was able to endure the past interrupted seasons and emerge with our reserves intact. All the while balancing not only our books whilst keeping our fees down with member affordability always in mind.
- Our women's competition shifted to a Sunday only competition under the leadership of our most experienced and invaluable administrator Tanya Arathoon recognised with a HNSW Award for her outstanding contribution and long service.
- Our junior competition expanded in the number of teams under the steadfast leadership of our Junior Convenor David Richardson and his committee of club representatives. Our juniors had a great season and this was showcased on great grand final day at Bankstown Hockey Club.
- Our SEHA representative program under the tireless leadership of Chris Thuell is something we are very proud of. Facilitating amazing development, and all involved feel they belong, contribute to something bigger, and create amazing shared experiences and memories. See the honours and achievements in the Representative Report.
- SEHA's successful grant application - A tripartite agreement between SEHA (applicant as an incorporated entity) / UNSW Hockey Club / UNSW university (as land owner) grant application to upgrade Daceyville turf has been successful with the Office of Sport granting \$588,000 to upgrade resurface the hockey pitch. In addition, separately the University of NSW has agreed to fund upgrading the lighting at the facility. This vision would not have been realised without the collaborative effort of the parties to the Agreement and the leadership and expertise of Fiona Pak Poy who was recognised with a deserving Hockey NSW Community Volunteer Award. The new turf launch was opened on 29 April 2023 with special guests local member The Hon Matt Thistlewaite MP, Dr Christina Curry Bayside Mayer, Karen Jones CEO NSW Office of Sport

The future outlook - Transformation

- Hockey NSW has formally announced the change in age groups for State Championships in 2024. Age Groups will be adjusted to be in line with Hockey Australia and the Nationals
 - Age groups will now be 14s, 16s, 18s, & Opens.
- Sydney East Hockey Association launched the Sydney East Futures Academy the pilot is the first 8-week program in October 2023. The HNSW Futures Academy is the new pathway strategy for all hockey athletes in NSW. In the Sydney Metro area, Hockey NSW is collaborating with its Sydney Metro member Associations, including Sydney East, to provide comprehensive performance support for the NSW hockey pathway. Spanning across the year, the program will encompass athletes across age groups of 14s, 16s, 18s and 21s.
The impact of these changes will be discussed with Clubs at our 2023 AGM on 11 December 2023 and with our Junior Committee to consider mirroring these age group changes in our local competition structure.

SEHA is actively working to create a culture that aligns with the Hockey NSW "PRIDE" values and broader conduct and member protection policies set by our governing bodies which are publicly available on our internet and embedded in our competitions, development programs and representative activities. This is not possible without the leadership and tireless work of our respective directors in these portfolios, our coaches and officials, but more importantly at the grass roots by everyone that loves, plays and watches the game in our region.

We will build upon the success of 2023. The Committee will turn its attention to redesigning our strategy to adapt our representative program to align with the new Hockey NSW pathway model, continue with the objective of introducing more children to the joy of a hockey's technical and social aspects while maintaining the enthusiasm and strengthening our opens and masters' competitions. The strength of our competitions will be supported by the nurturing and development of our officials both on the field and sidelines.

Thank you to you all:

We congratulate Tanya Arathoon recipient of the prestigious Hockey NSW 'Distinguished Community Long Service Award. Tanya is a founding Director on the SEHA Board has more than 30 years service administering the association competitions women's and schoolgirls and founder of Dolphins Hockey Club.

Graeme Barnard founding SEHA Board Director, recipient of the inaugural Life member at our 2022 AGM.

Partners and Sponsors – we value XPress Promotions our merchandise partner, and our sponsor John Halkitis at Rhino Mouthguards.

This is only possible with the support of our exceptional volunteer base; our Board Directors, Convenors, Committees, Umpires, Officials, Coaches, Managers, Safety Coordinators and so many parent volunteers.

Finally, I feel so very fortunate to work with such a wonderful bunch of people who are so dedicated, thank you to my fellow Directors Tanya Arathoon, Mia Strecker-Reeves, Chris Thuell, Lisa Jarvis and Debbie Dodd for their teamwork, absolute commitment to deliver their portfolio and all our collaboration with our Clubs in another extraordinary year!

2. GOVERNANCE DIRECTOR'S REPORT

Another fantastic year and it was great to see all our competitions and representative teams were back out on the fields enjoying hockey.

As with every season, the commitment and dedication from all our volunteers has been amazing at all levels, not only from the SEHA Board members, but across all aspects of our associations operations.

From a compliance and governance perspective, there is always so much happening behind the scenes to ensure our competitions run smoothly and to enable us to enter our representative teams. As such, I would like to thank everyone who generously donates their time, expertise and energy to help keep our SEHA clubs, competitions and rep teams playing the game we all love.

Our SEHA board members – like many of our committee members, club delegates, team managers and coaches, all take on numerous roles in addition to often playing/umpiring themselves. As such, it has been imperative to continue streamlining our associations operations by embracing online communication tools to optimise meetings which has enabled us to provide more flexibility for all our volunteers who are juggling multiple commitments.

I would like to make special mention to the ongoing support that is provided to our SEHA competitions by David Mallon (Judiciary Convenor) and Sonya Le Huray (Member Protection Officer).

Throughout the year, SEHA continued to align our SEHA Policies and Procedures with both Hockey NSW and Hockey Australia. All our Policies and documents can be located on our SEHA website.

Again, a massive thank you to the entire SEHA Board, our club contacts, venues, team managers, coaches, players, officials, umpires, ground marshals and parents and friends for all their support this season.

3 FINANCE DIRECTOR'S REPORT

SEHA remains in a strong financial position and able to effectively support all areas of operations.

This year we maintained a strong membership of 2,000 players.

Total income was \$191,735.55 – up by 4.73% compared to last year.

Total Cost of sales was \$193,396.34.

Additional expenses – purchases of equipment \$4,521.44 – new bibs, shirts and balls were bought this year.

Overall we made a small loss of \$6,182.33

Bank account has a balance of \$103,632.53

Term Deposit has a balance of \$77,157.28

There was \$6,180 in receivables outstanding as of 30th September – these have now been paid. All payables have been entered and paid.

SEHA also assisted UNSW Sydney in applying for the Greater Cities Sport Facility Fund via a Tripartite Agreement - \$588,357 was awarded. UNSW Sydney used these funds to resurface the synthetic turf at David Phillips Sports Complex – and upgrade to a new wet/hybrid multi-sport hockey turf system.

The audited financial statements for Profit and Loss follow.

The directors have determined that the association is not a reporting entity and that this special purpose financial report should be read in conjunction with the Finance Director's Report attached to the financial statements.

The directors of the Association declared that:

1. the financial statements and additional notes, as set out in the financial statements, present fairly the association's financial position as at 30 September 2023 and its performance for the year ended on that date; and

2. In the directors' opinion there are reasonable grounds to believe that the association will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a circular resolution of the Board of Directors made on 1 December 2023.

Lisa Jarvis
SEHA Finance Director

3.1 Auditor's Report 2023

Linda Lowe - Principal

27 November 2023

Sydney East Hockey Association
Email: Finance@seha.com.au

Dear Committee & Members

Sydney East Hockey Association: ABN 98 153 957 262

I have reviewed the accounting records for Sydney East Hockey Association (SEHA) for the period 1 October 2022 to 30 September 2023. My review is to provide an opinion as to whether the financial report as a whole is free from material misstatement. Please note, my review is not a guarantee that all errors or misstatements will be detected. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

The financial report and my review should be read in conjunction with the Treasurer's report so that users can understand the whole financial position of the Association for the financial year.

Opinion

The accounts for SEHA this year are prepared on an accruals basis and the Balance Sheet is presented as at 30 September 2023 on this basis. Items recorded in the Profit and Loss Statement for the year 1 October 2022 to 30 September 2023 appear to be correctly entered and classified based on my review. Overall, the attached Balance Sheet and Profit and Loss Statement prepared reflect the financial operations during the year.

Grant Funding

SEHA was granted funding from the NSW Office of Sport to resurface the synthetic turf at David Phillips Sports Complex. This was completed in April 2023 and grant funding for this was been paid directly to the University of NSW. The financial report presented and reviewed excludes the grant income and any expenditure associated with the turf resurfacing project.

Yours sincerely

4 SEHA WOMEN'S COMPETITION DIRECTOR REPORT

2023 has proved a very successful season for our Women's Competition.

It was the first season for the competition to all be anchored on the same playing day – Sunday. This change initially meant we lost some teams – Esquires, RSL, and Sharks. However, our existing clubs stood up and entered teams into the Division 1 competition.

At the other end of the competition, SGHS remained in the competition, through a partnership with Dolphins Hockey which provided support and structure, allowing the girls to participate in the sport which would not have otherwise been possible on a regular basis.

Venues used were – Daceyville, Kyeemagh, Sutherland and CINTRA

Games commenced in April and concluded week 2 in September.

As it has been becoming more difficult to obtain personnel for a stand-alone committee we moved to a collaborative approach this season – which entailed more frequent meetings – but did not quite allow for tasks to be taken on by different clubs. This will be something we need to consider in 2024 as we develop under this model. This first step was successful though and more frequent contact with clubs made for smoother operations.

The main tasks were conducted by Mia Strecker-Reeves as Registrar, with Umpires and Draw falling to myself. However, with the establishment and maintenance of a pool

of umpires, this part of the role was relatively trouble free. For this I thank the umpires, club contacts and convenors who were organized and generous with their time.

Grand Final Day was held on Sunday, September 10th, 2023, at Kyeemagh and was a wonderful experience with most teams and spectators entering into the spirit of the day and creating an enjoyable end to the season.

	Score	Premiers	Runners Up	Minor Premiers	Umpire	Umpire	Best & Fairest
Division 1	2-1	UNSW 1B	Bentstix 1	UNSW 1B	Chris Thuell	Jono Paul	Anna Bevan (Bentstix)
Division 2	2-1	Pohogs	Sutherland 2	Pohogs	Roger Lee	Felix Fung	Sonya Murphy (Pohogs)
Division 3	2-1	Glebe 3	Easts 3	Easts 3	Hyun Soun Park	Janet Black	Sophia Tzannes (Glebe)

		
Sutherland 2	Pohogs 2	Easts 3

The general operation of the competition was trouble-free – due the removal of the Saturday competition and consolidation of our resources.

Areas for focus in 2024 –

- Umpire Development;
- Draw refinement to allow for rep duties and holidays;
- Education of players to improve on-pitch behaviour.

Thank you to the Board, especially Lisa Jarvis (Finance) and Debbie Dodd (Development) – for their support, advice, and assistance in my role.

Looking forward to 2024 and beyond in improving and growing our competition.

Thanks

Tanya Arathoon

5 JUNIOR COMPETITION REPORT

It was a terrific season of junior hockey in 2023 which included a renewal of the Junior Competition Committee in 2023.

Committee

Firstly, on behalf of the Juniors Committee, I'd like to pass on our gratitude to Graeme Barnard for his considerable contributions to hockey in Sydney for a number of years and in particular to junior hockey in the South East region of Sydney. Graeme has held various roles for SEHA, including Finance Director, Juniors Director and in most recent years as Chair of the Juniors Committee up until the completion of the 2022 junior season. With Graeme's relocation to regional NSW, it was necessary for others to step up in 2023 to further progress junior hockey in South East Sydney, building on the considerable foundations established by Graeme and others.

There were also other significant retirements from the SEHA Juniors Committee this season, including Kim Brooks (representing Moorebank) and Ray Valeski (representing Bankstown). SEHA and the Juniors Committee are grateful for the extended years of dedicated service provided by Kim and Ray to junior hockey in Sydney, and we hope Graeme, Kim and Ray have all managed to find a little bit more time for themselves with one less role in 2023. I should also mention the efforts of Jenny Palmer (Cronulla RSL) and Sri Harsha Puthi (USYD) in the last couple of years of service on the Juniors Committee. There was no Cronulla RSL junior team this season and Sri fully handed over the USYD reins to Natalie in 2023.

The SEHA Juniors Committee for 2023 included David Richardson (representing Sutherland), Teal Els (St George-Randwick), Adrian Jones (UNSW), Tara Taylor (Glebe), Natalie Ambrose (USYD), Justine Maroney (Sharks), Kate Farrer (Moorebank), Jonathan McKay (Bankstown) and Lindesay Brine (Umpiring Coordinator). The Committee welcomed Kate and Jonathan to the Committee for the first time this season. I am grateful for the countless hours that all Committee members provided to junior hockey this season at both Club and Association level. A special mention should also go to Justine Smith from the Glebe Club who provided significant assistance with loading/publishing the draw on the SEHA website and numerous updating of the website throughout the season to reflect game changes and results.

And with this significant change-over of personnel on the organising Committee, it was challenging at times for new Club junior representatives and the Committee to be as well functioning as in prior years. However, the experience gained in 2023 will ensure a solid footing for next season.

Junior Competition

The new Committee undertook a significant amount of planning during February and March, with the 2023 season officially commencing with a round of trial/practice games held at the Moorebank fields on 18 March followed by the first two rounds of the competition prior to the Easter/School holidays break. This break enabled the Committee to assess the results from those early rounds, and it was subsequently decided to restructure the Under 13 age group such that all U13 teams would play as a combined group for the first 10 rounds of the competition before then splitting into A and B divisions for the remainder of the competition. This structure was not ideal for the U13 age group, but it was the best compromise that could be reached amongst the relevant Clubs.

There were 8 Clubs participating in the SEHA Juniors Competition in 2023 with 40 teams from Under 9's to Under 17's. The most significant change in team numbers compared to the 2022 season was in the U17 age group. For the prior season there were eight U17 teams, however for 2023 there were only four U17 teams. It seems numbers in this age group were affected by HSC demands, some juniors choosing to play seniors hockey only, and the Moorebank Club deciding to enter their U17 team in the Metro Competition in 2023.

2023 was a season of amazing junior hockey and thrilling results, particularly during the finals series. It was the Glebe Club's turn to host the SEHA junior grand finals this season and it chose the games to be played at the Bankstown Club on 10 September 2023. A huge thanks to the Bankstown Club for hosting the junior grand final games – it was a terrific day filled with excitement, tension, skills, drama and fun. Below are the results of the SEHA junior grand final games for 2023.

Division	Team 1		Team 2	2023 Premiers
Under 11B	St George-Randwick	v	Moorebank	SGR 2-0
Under 11A	UNSW Pilots	v	Sutherland Geckos	Sutherland 4-1
Under 13B	St George-Randwick	v	UNSW Humpbacks	SGR 1-0
Under 13A	UNSW Orcas	v	Sutherland Thorny Devils	UNSW 4-0
Under 15B	Bankstown	v	Sutherland Blue Tongues	Bankstown 6-3
Under 15A	UNSW Whale Sharks	v	Sutherland Geckos	UNSW 2-1 (in extra time)
Under U17	St George-Randwick	v	Sharks	SGR 5-0

Thanks to all those who contributed to a wonderful season of junior hockey in the SEHA Junior Competition, in particular those assisting on the Juniors Committee, and all players, coaches, managers, parents and other supporters of junior hockey.

David Richardson

Chair, SEHA Junior Competition Committee.

6 DEVELOPMENT DIRECTOR REPORT

Summary

I start my report with an acknowledgement of the 5 years that **Lindesay Brine (Glebe)** has been the Junior Umpire Co-ordinator. He has assisted with talent identification, providing lists of umpires for SEHA representative honours at State Championships and Carnivals, assessing junior umpires for badges and allocating umpires for SEHA juniors semis, finals and grand finals. Lindesay is fair, friendly, helpful and organised. His work for the association is so very much appreciated and his contribution and support will be sorely missed.

Thank you to all of those officials (umpires, umpire coaches, player coaches, managers and technical officials) who put their hand up to support SEHA this year or made themselves available for NSW Hockey at both outdoor and indoor. Your efforts continue to show that SEHA supports hockey both locally and further afield, with a commitment to improvement and giving back to the sport we all love.

Player Development

- SEHA continues to run Centre of Development (CoD) at 2 venues, Daceyville and Cintra, for U14 players. This is a format that is enjoyed by all who participate and culminates in a weekend tournament run by HNSW in Feb/March each year.
- Our COD numbers are very healthy this year with two venues Daceyville and Cintra. This is a wonderful development opportunity for those players learning the game and those who want to develop their skills further in the U14 age group. See the separate report for the details.
- ***New this season – recommendations from the HNSW Pathways (Brent Livermore), have seen the pilot of the **Futures Academy for U18 to U14 players** identified by HNSW and augmented by players nominated from SEHA clubs. We also have some HNSW identified players from Sydney South joining this group.
- The SEHA working group, consisted of:
 - Garry Labana - St George (Convenor WG)
 - Katrina Cochrane - Glebe
 - Adrian Jones, UNSW
 - Greg (jnr pres) from Briars
- This group worked closely with the President (Kath) and Reps (Chris), with Garry making a presentation to the Board, and was instrumental in getting the SEHA Futures Academy up and running in a very short time (a few weeks), with assistance from Brent Livermore and an awesome group of coaches, in delivering the program. Thank you so much to the group and all who supported this initiative.

Officials Development

- 2023 saw changes in the Hockey Ed (Hockey Australia) format for accreditation of officials (coaches, umpires, umpire coaches and technical officials), with additional levels and more rigor around the theoretical components to be completed. Current accreditations were also migrated to Revolutionise. Please login and check that your current accreditations are there. If they aren't send a copy of your certificates to Hockey Australia to have you accreditations reinstated. More will be revealed on the impact this has on NSWHA accreditation levels in early 2024, and the new accreditations will have theoretical components developed to go with them.
- The above changes saw a hiatus in the number of new and renewed accreditations this year, but development opportunities continued to be undertaken with some of our promising junior umpires shifting into umpiring in senior competitions and some new umpires at the senior level entering the women's competition. 2024 will see a major push in the association for formal accreditation of our umpires in Senior and Junior competitions.
- SEHA continued to run well attended Whistle Warrior sessions for beginner umpires at Junior and Senior level. Our Whistle Warrior courses were well attended with several clubs taking advantage of having their junior and senior umpires getting a start on their journey. This continues to be an area of growth in the association to provide our clubs with the grass roots support they need to enter the various competitions.
- NSWHA offers further development opportunities at State Championships with Opens, U18s, U15s and U13s state championships, while at club and association level numerous carnivals continue to offer player, coach and umpiring development opportunities for our juniors.
- It was pleasing to see that we were oversubscribed with umpires wanting to attend our junior State Championships. The quality and keenness of umpires to learn and develop their skills was on show. With Hockey NSW restricting the number of umpires per team this made our selections more difficult. Several of our umpires went on the Umpire Pick-up list and gained further development through that channel

SEHA Competition-based Development

SEHA ran two competitions again this year being a Women's competition and a vibrant Junior competition, having teams from 4 different associations participating.

- The Women's competition provides ***development opportunities for players, umpires, umpire coaching, player coaching and technical officials*** and continues to provide a well organised next step for all exiting from juniors to next levels of local competition.
- The move to Sunday games for the first division competition saw more teams in that division and opportunities open up for other umpires to step up into more senior umpiring roles.
- It was really pleasing to see more of our umpires who have come through the junior competition and an influx of senior umpires coming from one of our biggest clubs (UNSWHC), umpiring in the SEHA Senior Women's competition.

- **The junior competition continues** to be run in collaboration with all participating clubs and was **ably led by David Richardson** from Sutherland. The competition provides development opportunities for players, coaches and umpires, with the focus still being on enjoyment, participation and for junior umpires to be umpiring the junior matches.
- The collaborative and supportive group of clubs we have in the junior competition continues to see this as the junior competition to be part of. Thank you to all of our clubs for keeping this competition strong and vital to development in our association.

We are always looking for people willing to be part of our development team in all areas of development (especially Team Coaches), so if you would like to be part of our team, know of anyone that we could approach or have an idea or area that needs further action at association level, please contact the Development team at development@seha.com.au.

Look forward to seeing you all back in 2024

Debbie Dodd
SEHA Development Director

6.1. SEHA Centre of Development Program Participants

Centre of Development

The Centre of Development Program is a development program for kids aged 14 and below, that provides an opportunity for kids to learn and develop their fundamental hockey skills.

This is done in a fun and social way without the stress of a competitive environment. It is seen as a retention program in the Hockey NSW participation framework.

This program is a holistic hockey program offering Development opportunities for players, coaches and officials, and at the culmination provides the opportunity to attend the New Balance Regional Challenge.

7 SEHA REPRESENTATIVE DIRECTOR'S REPORT

Junior field season

The 2023 Season has been interesting and successful in many ways.

We were able to form our equal highest ever 14 junior rep teams this season, including three U/15 girls teams for the second year in a row. The only disappointment was only being able to form one U/13 boys team.

Our teams all participated in the full range of carnivals – with trips to Moorebank, Canberra and Tamworth, and state championships across the state.

Our best-performing team was our U/15-1 girls team who had an incredible state championship and finished runner-up in Division 1. Our U/15-2 white team was also able to win Division 4 at this state championship. The other notable achievement was our U/18-1 girls team who were the Division 2 state champions (winning the game in a nerve-wracking shootout) and secured promotion to Division 1 for 2024. Our U/11 girls team also won their Division at the York Cup in Tamworth.

Thank you to all our volunteers – coaches, selectors, and managers for their commitment to Sydney East Rep Hockey. In particular, Adrian Jones, Jenny Avery and Wade Johnson who each coached two teams across age groups. Thanks very much also to Phil Sams who managed three teams in 2023. We would also like to thank brand new SEHA coaches, Nicole Taylor, Scarlett Thuell, and Chelsea Da Silva. It is particular, we thank Scarlett and Chelsea who are SEHA junior representatives who aged out of juniors in the last 2 years and have almost immediately begun to give back to the association by passing on their passion for Sydney East rep hockey to our junior players.

Open field season

2023 was a big milestone for the Sydney East Open program. We were able to form 2 mens and 2 womens teams. Hockey NSW even contacted me to confirm we hadn't made an error in entering 4 teams.

Our team all put in excellent efforts. Unfortunately, our Division 1 mens team continues to find the competition in Division 1 very challenging, but they always put in 100%.

The quality of the players we are attracting into the open program keeps improving – especially in womens. We would like to see more of our marquee players who play PL1 and ML1 at our clubs play opens for SEHA.

Additional administrative and selection support would also be conducive to a stronger opens program.

Women's masters season

Coming under the Representative Director's overall responsibility is the women's master's program, which is managed in full by Carolyn Davies SEHA's women's masters convenor. and a committee of coaches and team managers

In 2023, we entered 4 teams into the Sydney Womens Hockey League in a weekly competition and 4 teams attended Masters Women State Championships in Taree. Sydney East's O/34 team were successful in winning the O/34 womens masters state championship.

Mens masters season

Sydney East currently has one team in its men's masters program – an Over 50's team that played at the State Championships in Grafton in March 2023.

Sydney East is actively working to increase this footprint in men masters – in line with the NSW Mens Masters decision to not accept state championship nominations from Sydney Masters Hockey from 2023, which has been the dominant organiser of mens masters rep hockey in greater Sydney.

Sydney East Rep Hockey would highly value a contribution from our mens masters members to arrange for teams under a Sydney East Mens Masters banner.

2022 Indoor season

The 2022 indoor state championships moved back to the regular timeslot in October, November, and December after the previous COVID-affected season. The Masters indoor championships have remained in their early February timeslot, which appears to be its new permanent timing.

Sydney East indoor rep team numbers continue to grow. We were able to enter 2 teams in each of U/13 and U/15 girls, Open Women, Masters Women and single teams in all other age groups (except Open Men). Our first Masters Men team in many years was a great milestone. We had success in the U/13 girls with our 2nd team winning Division 3.

Looking ahead to 2024

The SEHA rep committee is in need of greater volunteer involvement in 2024. My children have all aged out of junior rep hockey this year, and while I will remain for one further term if confirmed at the AGM, there needs to be succession planning taking place otherwise SEHA will be left with a significant gap and loss of organisational knowledge. I plan to spend the next 2 years passing that knowledge on to a broader rep committee. I am convinced that we will succeed with this goal if we can get just a few extra people who are willing to help with small roles. We have had promising success in establishing age coordinator positions for the ongoing 2023 indoor season.

Hockey NSW have indicated that there will be significant changes to the way they run state championships in 2024. The move to the new Hockey Australia age groups (U14, U16 and U18) has been confirmed. In addition, Hockey NSW intends to make some significant changes to the timing and organisation of junior state championships. These changes are still in the consultation phase as this report is being written. Further information will be provided to our members as soon as possible.

7.1 SEHA Women's Masters 2023 Annual report

2023 was another successful season for SEHA Women's Masters.

Starting in mid-March with trials at Briars where 22-24 players nominated which although a higher turnout than recent years is still short of the 64 (i.e. 4*16) required for 4 teams in SWHL and 4 teams at NSW State Champs. We are looking at holding trials earlier in 2024 – probably mid-February 2024 date tbc.

There were several challenges this year with players n/a re injury (especially 2 goal keepers, i.e. Tracy Bradford – SE1-GK (knee replacement) and Carolyn Davies - SE2-GK (general dodgy knee). However, in both these cases, awesome replacements were quickly found prior to season start, i.e. Kate Gow (re SE1) and Sophie Gathy (re SE2). [NB. also Briony Croft (SE2) re State Champs].

There were some other challenges this year:

1. Due to some matches of the FIFA Women's World Cup being held at SOP, some SWHL masters matches were held at Moorebank.
2. SE1 & 2 started SWHL on 5/4/23 whereas SE3 & 4 didn't start until 1/5/23.
3. We had a lot of new players in 2023 plus significant movement between teams compared to previous year. – this was a good thing
4. Previously Carolyn has been the sole Revolutionise administrator – this year this was moved to team managers with Carolyn still having overall access. This sharing of responsibilities was very positive and beneficial especially with numerous late registrations throughout the season.
5. The SEHA uniform clashes with 2 other masters teams (NWSHA and NS&B) which has been an issue in the past. So this year we introduced alternate SEHA shirts for all 4 SEHA womens' masters teams. Huge thanks to Chris Thuell for making this happen so efficiently.
6. Finally, each of the 4 teams were provided with their own team crate of balls.

All of the 4 SEHA Masters teams finished in the top 4 of their respective division, i.e. all made the finals series.

SE1: placed 3rd after all round games; they also had the best goal difference in their grade.

Minor Semi-final: SE1 defeated NSB2 **7-0**

Finals: NSB-UTS & SE1 drew **1-1 full time**. NSB-UTS won shoot out 1-0 (0-0 after 4 shots, SE1 unfortunately missed their 5th shot)

SE2: placed 3rd after all round games. Unfortunately lost 1-0 to Sydney South in the minor semi.

SE3: placed 4th after all round games. Won their minor semi but unfortunately lost the final 3-1 to Nepean (who were the eventual GF winners).

SE4: placed 2nd after all round games scoring the highest number of goals in their division.

Major semi-final: won.

Finals: SEHA def. NWSHA **4-1**

Grand final: unfortunately lost 4-1 to NWSHA.

Finally, a huge thanks to all our SWHL umpires:

10 STRATEGIC PLAN

Vision	SYDNEY EAST HOCKEY ASSOCIATION: CHAMPION THE GROWTH OF HOCKEY. Hockey NSW: Our vision is for Hockey NSW to be the leader on and off the field. Hockey Australia: • Consistent Australian team performance and team success at 14 benchmark events • Stronger business model by sustained profits through diversified revenue • Increased participation across all levels of hockey • Highest standard of governance across whole of sport.				
Purpose	SYDNEY EAST HOCKEY ASSOCIATION: FOSTER A SAFE AND INCLUSIVE ENVIRONMENT THAT PROMOTES PARTICIPATION AND DEVELOPS HOCKEY WITHIN THE SYDNEY EAST COMMUNITY. Hockey NSW: A sustainable and innovative organisation that provides an accessible sport of choice for everyone through a unified approach, leading the field with integrity, transparency and excellence. Hockey Australia: • To achieve success with Australian teams • To grow the game of hockey in Australia • To govern the game of hockey in Australia				
Strategic Pillar	1. PARTICIPATION	2. RELATIONSHIPS	3. OPERATIONS	4. PROMOTIONS & COMMUNICATIONS	5. FACILITIES
Objective	Attract new, retain existing and re-engage past people in hockey	Highly productive internal and external partnerships, networks and alliances	Strong finances, robust governance and effective management	Enhanced profile and increased engagement	Safe, quality and accessible facilities that support participation growth
Supporting Strategies	1. Create links between local schools and clubs to provide a player pathway 2. Identify opportunities to make it easier and more cost-effective for families to participate in hockey 3. Provide development pathway for players, coaches, umpires and officials 4. Explore new, modified and social formats to adapt to changing consumer preferences 5. Reignite interest in hockey from past players 6. Identify and remove participation barriers to attract new players of all ages, abilities and backgrounds 7. Develop volunteer recruitment & recognition activities	1. Actively engage and collaborate with affiliated clubs to achieve mutually beneficial outcomes 2. Foster and preserve relationships and, work collaboratively with: a. Hockey NSW b. Local Government Associations c. Local businesses d. Local schools and educational institutions e. Local community organisations f. State and Federal government departments and agencies (e.g. NSW Office of Sport) 3. Association strategy aligns with Hockey Australia and Hockey NSW 4. Represent affiliated clubs in providing feedback to HNSW	1. Create an effective association and board structure that supports strategy 2. Align association governance with relevant ASC Sport Governance Principles 3. Develop a culture of member protection that promotes a safe, fair and inclusive environment 4. Identify and fully utilise governance components of Revolutionise system 5. Identify opportunities to support club administration 6. Develop appropriate procedure manuals, guides, checklists and templates for key roles 7. Implementation of succession planning for all key roles including Board Directors.	1. Develop a communication matrix to identify key stakeholders, messaging content and communication medium 2. Identify members skilled in social media to develop social/digital strategy and drive member engagement 3. Communicate SEHA strategy on a page 4. Fully utilise all communication and engagement modules and elements of Revolutionise system 5. Identify opportunities to work collaboratively with clubs on promotions and communications 6. Identify technologies and opportunities to amplify engagement	1. Identify and target relevant grant and funding opportunities 2. Work with clubs on developing a future facility improvements and maintenance plan 3. Identify innovative options to grow facility footprint e.g. multipurpose, half-field
